THE PRESIDENT'S CORNER

BY ELLIOT BLUT

Shalom fellow Temple Members,

I am excited to serve as the board President and am looking forward to the upcoming year.

I want to thank Larry Monkarsh for his efforts and service over the past year. Under Larry's leadership many improvements to our facility were accomplished. Most recently the painting of the large social hall (which looks fantastic) and the installation of the basketball hoops scheduled for later this month. We are grateful to have Larry Monkarsh remain on the board alongside Janet Sameh, Amy Wasserman, Dan Saposhnik, Larry Dorf, Larry Fell, Matt Nelson, Rebecca Horwich, and Joe Gerston. Please join us in welcoming our new board members, Judy Forman, Pej Sabet, Mark Kuperstock and Yale Bock, who are bringing their years of leadership experience and dedication to the board. This year's board is excited to serve the congregation and has hit the ground running.

We are looking forward to reaching out to the greater Jewish Community in Las Vegas to demonstrate all we have to offer at the Temple and grow our numbers. The Temple's fiscal condition is as strong as it has been in many years and our books and records are reflective of the efforts of the past and current treasurer. The annual budget is being completed which will reflect needed expenditures including additional updates to the physical structure, an upgrade to our wifi and security systems and a new web site that is reflective of the synagogue and all it has to offer. We are grateful for your continued support of TBS in making these improvements a reality.

In the post-October 7 world with the rise of antisemitism, Temple Beth Sholom has continued to be a vibrant center of Jewish life and led local efforts to support Israel as she fights for her survival. We are especially proud to have recently hosted Mosab Yousef the Son of Hamas, who was brought to the synagogue by Magen David Adom. This was due to our congregation's immense support and fundraising for this critical organization in Israel. This was a perfect example of the spirit of our community that I am proud to call home and we look forward to continuing our efforts and having more events like this in the future..

There is much to celebrate about our congregation. The summer camp is thriving with 135 students. Our outstanding ECC has hit its highest enrollment entering a new school year in the history of the school. As we prepare for the new school year starting in September, we have hired a new Religious School Director, Jillian Post. The Youth groups led by D.J. continue to grow with strong attendance every year, showing us the future of Jewish life in Las Vegas looks bright. We are 450 families strong and growing and look forward to a continued rise in membership as we head into the new year. Through these difficult times it is important that we continue to stand strong together and proud to be Jewish.

I am grateful for this opportunity to serve as board President and look forward to learning and growing with our congregation.

A MESSAGE FROM THE EXECUTIVE DIRECTOR:

BY CLAYTON STEINBERG
EXECUTIVE DIRECTOR

Dear Members of Temple Beth Sholom, As we continue our journey into the future, I want to share some exciting developments that are transforming our beloved synagogue. Our ongoing efforts to modernize our processes are not just about keeping up with the times; they are about enhancing the value we deliver to you, our cherished members.

One of our primary goals is to make Temple Beth Sholom more efficient, allowing our staff to focus more on meaningful interactions and less on administrative tasks. A prime example of this is our recent introduction of digital registration for Passover. This innovation saved our staff countless hours of manual work, streamlined the registration process, and made it easier for you to participate in this important event. The overwhelmingly positive feedback we received confirms that this was a step in the right direction.

Building on this success, we are now developing a similar digital process for High Holy Days registration. This new system aims to provide you with a smoother, more accessible way to participate in our services and events, ensuring that your experience is as seamless and enriching as possible. Our focus on modernization is not just about technology; it's about creating more space for the human connections that define our community.

While we look ahead, we also hold our rich history in the highest regard. Temple Beth Sholom is the oldest Jewish institution in Las Vegas, and its past members have played a pivotal role not only in our community but also in shaping the city itself. Their contributions have laid the foundation upon which we continue to build, and we remain deeply committed to honoring their legacy.

As we modernize, we ensure that these advancements align with our core values and traditions. We are dedicated to preserving the spirit and heritage that make our temple unique.

Our modernization efforts are not a departure from our past but a continuation of the values and traditions that our founders and past members instilled in us. This balance between innovation and tradition is what will carry Temple Beth Sholom into a prosperous future.

As we move forward, we invite all members to join us in this journey. Whether by participating in new initiatives, sharing your ideas, or contributing to our efforts, your involvement is crucial. Together, we can ensure that Temple Beth Sholom remains a vibrant, welcoming, and forward-thinking community for generations to come.

Let us continue to honor the past while embracing the future, knowing that as members of Temple Beth Sholom, you are part of the oldest Jewish institution in Las Vegas—an institution rich in history and achievements. Together, we can ensure that this legacy endures and flourishes.

Warm regards,

Clayton Steinberg

SECURITY REPORT

BY CHAD MCCASLAND, DIRECTOR OF SECURITY

Members of the Temple Beth Sholom community I want to take this opportunity to introduce myself to you as your Director of Security. My name is Chad McCasland and I spent 10 years with the Las Vegas Metropolitan Police Department, have been the Director of Security of a security company, and have had the honor to work for the Clark County School District as an educator. Currently our security team is comprised of myself and Assistant Director Dan Webb along with 8 officers of which 6 are retired from LVMPD, one is a retired lieutenant from another jurisdiction. All together we have over 100 years of law enforcement experience.

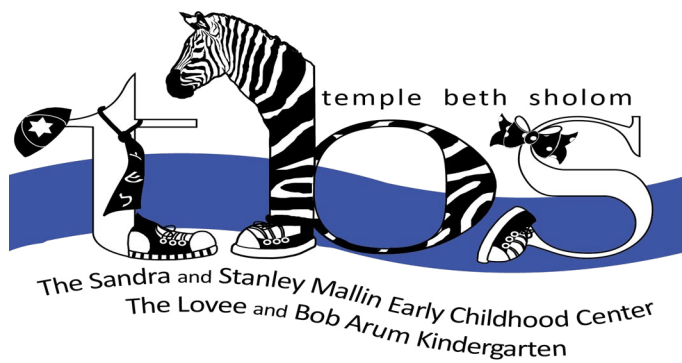

Upon accepting this great honor to be the director I made a commitment to the members, staff, and team that our mission is to foster a welcoming, safe, and supportive environment for all families at Temple Beth Sholom through collaboration (together), vigilance (bolder), and dedication (stronger) in service to this community. Some 60 days in now I stand firm in that commitment and feel as we have embodied that as a team. Whether it is ensuring the safety and security of the members and guests during the Son of Hamas event, during the High Holidays, or the day to day during school we as a team strive to be the most professional and capable team in the Las Vegas Valley.

Security for my team is far more than just being present with our duty gear. Security is about building relationships, cultivating friendships, and creation of a connection with those that we serve or serve with.

As director having the opportunity to cultivate relationships with members during a “coffee with security” is something that I look forward to. We will be providing informationals on topics such as cyber security and situational awareness to name a few.

I want to thank you all for entrusting the team with your safety and the safety of your loved ones. Should you see me on campus please do not hesitate to say hello or ask a question. Having a positive relationship with each and every member is something that is at the heart of what we as a team do here.

A JOYFUL SUMMER AT CAMP K'TON TON!

BY JENNIFER ZUKOWSKI
SCHOOL DIRECTOR

We had yet another spectacular summer here at Temple Beth Shalom, where the spirit of joy and community flourished at Camp K'ton Ton. Over the course of six vibrant weeks, the children of the Sandra and Stanley Mallin Early Childhood Center (ECC) enjoyed an unforgettable camp experience that sold out in just one week!

With over 100 children participating daily, the camp was a bustling hub of fun and excitement. Under the expert coordination of Jami Garvin and the dedicated ECC teachers, the camp offered a diverse array of activities. Our enthusiastic Counselors-in-Training (CITs), many of whom were once campers themselves, brought additional energy and support.

The campers immersed themselves in STEAM projects, delighted in Shabbat sing-alongs, and explored the Mallin Family Children's Library. Special events like Foam Fever, Crazy Hair Day, and martial arts sessions added to the excitement. Treats like Kona Ice snow cones, rides on the Jupiter Train, and visits from a petting zoo filled the days with joy.

As the ECC Director, I am so proud to see the transformation of not only the education building environment from school to summer changes so much, but how our children come in so confident and happy to enjoy the summer with us. Laughter, smiles, and the forging of new friendships were the highlights of Camp K'ton Ton. The camp truly encapsulated the essence of summer, creating cherished memories for all. We can't wait to welcome everyone back next year for another season of adventure and fun!

YOUTH

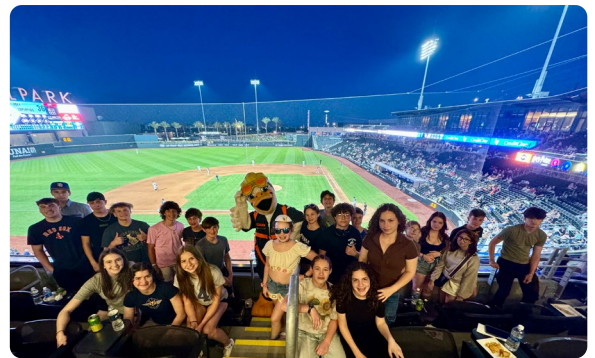

Surprise! Just like that, summer is coming to an end, and we are gearing up for another exciting year with youth programming hosted here at Temple Beth Sholom. We are so excited for all of the programming that awaits all of our incoming 4th - 12th grade students in USY and Kadima - each one perfectly crafted to engage our youth in meaningful Jewish experiences, build community ruach, and provide many opportunities for personal growth and leadership development.

This year promises to be filled with diverse activities designed to cater to the unique interests and developmental stages of our members. The students are split into three groups: Kadima (4-6 grade), Jr. USY (7-8), and Sr. USY (9-12) grade, each offering social events and programs that build friendship and deepens their understanding of Jewish values - there is truly something for everyone! From local events to national programming to even a trip to Disneyland, there is no shortage of options for our members.

Whether you are a Temple Beth Sholom member or not, our youth program is open to every 4th - 12th Jewish student in the Las Vegas Valley. We are committed to nurturing the next generation of Jewish leaders through engaging programming. And, thanks to your donations, no student is turned away due to financial restrictions for any of our awesome programs.

So, when does the fun start? Our kickoff annual Back to School Ice Cream Social will be taking place on Monday, August 12 from 4p-6p at Bruster's Ice Cream, 2862 S Durango. This is a FREE event for all Jewish students entering 4th - 12th grade, it is a great way to learn more about the amazing opportunities that lie ahead. Tell your friends, neighbors, and classmates! Soon following will be our Disneyland adventure, open to all 7th - 12th graders, taking place on September 1.

Together, let's embark on a journey of learning, friendship, and personal growth! For more information, please visit www.bethsholomlv.org/usy-kadima or email D.J. Sinai at djsinai@bethsholomlv.org.

WOMEN'S LEAGUE

By Carrie Zeidman | Women's League President

Many of you know me, but many of you don't. So, I'll introduce myself. I'm Carrie Zeidman and I'm the new president of Women's League of Temple Beth Shalom. My husband, Bob, and I moved here from Northern California five years ago. We love Temple Beth Shalom and the people we've met here. I've been both a Sisterhood president and a regional president before, and I'm so honored to be doing it again with the women of TBS.

We have already had one meeting to come up with ideas for programming for this coming year. I was amazed at the fantastic events that were suggested! We will be putting the events on the calendar and sending out something to let everyone know what they are and when they will happen so you will all be able to join us. There's something for everyone and we have a lot of fun when we get together!

If you're interested in being a part of bringing the fun to life, let me know. It's a great way to not only help bring ambitious events to fruition, but it's also a great way to make new friends. There's many wonderful, fun, friendly women in our Women's League that are just waiting to meet you. Give us a try! Get involved! I can't wait to meet you!

B'NEI MITZVAH

BENTLEE & BRAYDEN BLOOMFIELD AUGUST 24TH, 2024

Brayden & Bentlee Bloomfield have the honor of being called to the Torah as B'nai Mitzvah on August 24, 2024. Brayden and Bentlee were born in Las Vegas Nevada to immensely proud parents, Brian and Amber Bloomfield and loving grandparents Dr. Barry and Sheila Bloomfield. In 2015 they welcomed their youngest sibling to their mishpacha, Kye Bloomfield.

Brayden & Bentlee have worked diligently to prepare for this day, and we could not be prouder of their achievements. They will be leading us in prayers, reading from the Torah, and sharing their insights and reflections.

Brayden & Bentlee will both be entering the 7th grade this coming fall. Brayden will be attending Somerset Lone Mountain while Bentlee will continue her studies at The Adelson School where she continues to excel in her academics.

They are both extremely passionate about playing ice hockey and when they are not in school you will find them at one of the local hockey rinks working to perfect their skills and hanging out with their teammates. For the upcoming hockey season, Brayden was selected to play for the Junior Golden Knights 13U AAA (Tier 1) team and Bentlee was selected to play for the Las Vegas Storm 14UAA girls' team. Hockey has afforded both Brayden and Bentlee amazing opportunities to travel across the United States and Canada where they have competed against many of the best teams in North America. This summer they will take some much-needed time away from hockey and join their sister, Kye, at Camp Mountain Chai located in Angelus Oaks, California.
